

Mid Term Updates!

We can't believe we are already almost half way through the Term (and the year!!)

Below are a few announcements and updates that might be of interest to you:

Mothers' Day Vouchers!

We hope you all enjoyed your little Mothers' day treat (and that they all made their way home!) It has been wonderful to see some of you taking up the voucher over classes last week.

Review Giveaway!

They say that word of mouth is the best advertising, and we are always so grateful for all the recommendations we receive from students who come off referrals from our loyal families.

We will be running an online promo for one of our LOD Dance Bags, for one lucky winner who is kind enough to take the time to review us on Facebook or Google.

We also always welcome feedback of any kind, so would love to hear peoples' thoughts and suggestions at any time ☺

The Promo will be running from today until June 1st – so get typing to get in draw!

RSD "Queens Birthday Present"

Every Queen and King needs a present on their birthday, and our youngest Ready Set Dancers are no exception!! As a special treat to go with our "Kings and Queens" RSD theme week, all our RSD students will be getting a special surprise in class – please watch out for it soon ☺

While the Studio will be closed Queens Birthday Monday, all students are welcome to make up their normal class in the Saturday class option.

Adult Medley Block:

Tuesdays & Thursdays 7.30pm

This week is our last block of Tuesday Lyrical Jazz. Next up is a 3-week block of Commercial Jazz with Emma, & "Therapeutic Thursdays" will continue with Pilates with Dani. A few of you have shown your interest in the Wed lunchtime Dance-Fit with Fiona – if this sounds like you, please let us know, we will definitely make this a regular thing with enough interest.

Queen's Birthday:

Just a quick reminder that the Studio will be open on Sat June 2nd but closed on Mon June 4th – hope you all enjoy the last Long Weekend for a while!

All things Exams!

Please watch out for lots of exam info heading your way soon, including entry forms and the Holiday program schedule, which this year brings together Jazz, Ballet & Tap all in the same week!

Studio Hire & Private Lessons:

We have been having a few inquiries about Studio hire & Private lessons. If you interested, we recommend getting in touch quickly as things get booked up very fast, & times and spaces are very limited, especially prior to exam time!

School Fairs & Events:

We are always happy to support our local schools and communities. If any of you would like a demo at your Centre, a performance at a school fair, or even a giveaway prize for a school/community fundraiser, please get in touch!

Please be sure to sign up to our online DanceHub, Movitae, if you haven't already!

It's a great place for us to share exercises, choreography, as well as exam music and any other notes of interest for the students to be able to "take their dance class home". The signup code is on the Noticeboard at the Studio.

Magical Movement Term 2 Enrolment Special!

We are once again running our "baby ballet shoes" – everyone that enrolls in any of our Magical Movement classes will receive a free pair of ballet shoes (subject to availability).

Please pass on the info to anyone who might like to take up this great offer! ☺

Thank-you
for your continued support of
LOD Dance Studios
